

Salem Cemetery Inc. Newsletter 2023

Dear Friends of Salem Cemetery,

Your Board of Directors continues to work towards maintaining your cemetery as a place of rest and tranquility. We meet several times a year and keep the cemetery under surveillance. The burial records are updated continually so that we are able to answer any inquiries from the Cemetery stakeholders.

The lawns are carefully mowed. Trees are trimmed, branches, and other debris are removed. Graves, monuments, footstones are continuously maintained and given repairs when necessary.

Decoration Day will be held **Sunday June 18th**, rain or shine. Your Board members will be on hand to greet you from 1:00 p.m. - 4:00 p.m. in the cemetery and in the Heritage Church hall for refreshments. Canadian flags will be placed on military graves.

We wish to remember and thank the generous donation bequest on behalf of the late Mary Buchanan.

We regret the passing of board member Lyn Ventress; his amiable personality and his contribution to much of the heavy work will be missed.

We welcome the addition of Becky Simpson Schriver to our board.
